

We loved spending time with you!

And when you're comfortable... time flies, doesn't it? If that happened to you too, you have no idea how happy it makes us!

We pour so much of ourselves into every book we create, so knowing that you enjoyed spending time with our puzzles makes every minute of work truly worthwhile.

Now, if you don't mind... why not visit our **author page on Amazon?** You'll find a little bit of everything, and we're sure your next favorite companion is waiting for you in our catalog.

Thank you for your trust!
