

We loved spending time with you!

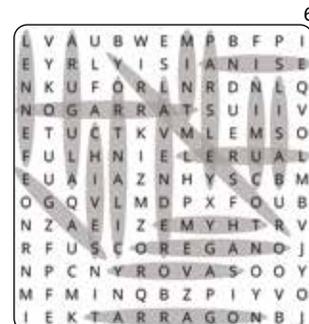

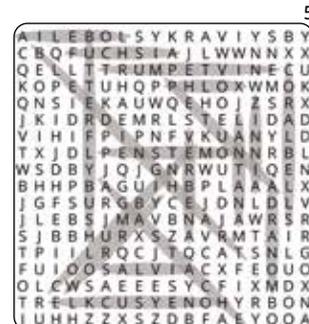

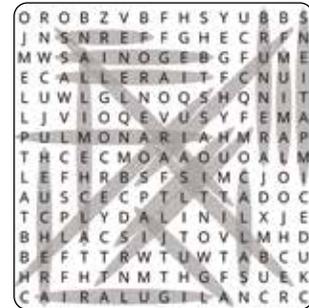

And isn't it true that time flies when you're enjoying yourself? If you felt the same way, we'd love to hear about it! You see, we put so much of ourselves into each of the books we create, so knowing that you've enjoyed spending time with our puzzles makes every second of effort truly worthwhile.

Now, how about visiting **our Amazon author page** to discover more of our books? There's a little something for everyone, and we're confident you'll find your next fun companion in our catalog.

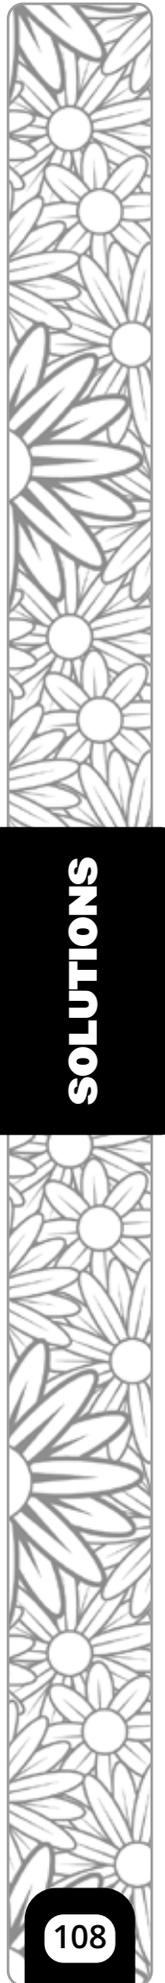

Thank you for your trust!
