

THANK YOU FOR MAKING IT TO THE VERY END

You've solved the final case, but at Lolita Perrins Books there are still many more puzzles, challenges and mysteries waiting to be discovered.

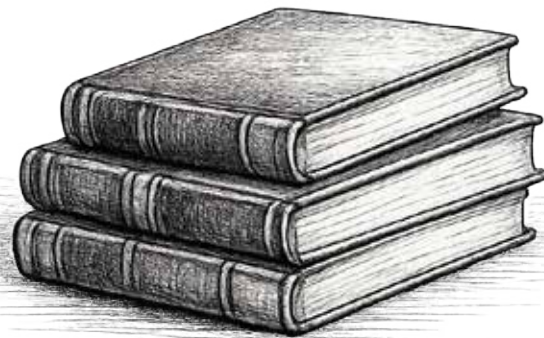

To explore the rest of our books, visit our Amazon Author Page by scanning the QR code or going to:

amazon.com/author/lolita Perrinsbooks

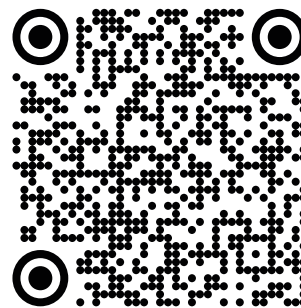

You'll find word searches, sudokus and many other books designed to help you play, think and unwind.

And if this duel has left you eager for more cases, write to us with the subject line "More Detective Duels". Perhaps the next case file is already waiting on the desk.

Thank you for accepting the challenge. See you in the next case.
